

Authentic LUCERNE

Our local roots, your culinary highlights!

Our beautiful building – together with the Chapel Bridge – is photographed thousands of times and is part of Lucerne's **world-famous cityscape**. But we don't want to stop there. We also want to showcase **Lucerne** in **our menu** and offer our guests, both locals and tourists from all over the world, **the best of Lucerne** on their plates and in their glasses!

This is only possible with partners who produce their goods to the **highest quality standards** and with a great deal of **passion**:
