ANTIPASTI Starters

ZUPPETTA DI ZUCCA E SALVIA 18 CON CROSTINI AI FUNGHI O FEGATINI

Pumpkin-sage soup with mushroom crostini | with chicken liver pate crostini

The pumpkin was originally at home in South America. There it was often grown together with corn and beans in mixed culture. While the calabash pumpkin has been known and used in Europe for several millennia, the garden pumpkin that is common today did not come to Europe until many years later. Presumably through seafaring in the 15th century, these pumpkins are said to have reached Europe and Asia.

MONTANARA NAPOLETANA CON FRIARIELLI, 26 BURRATA, ACCIUGHE E PEPERONCINO

Soft focaccia with friarielli (leafy vegetables), mozzarella, anchovies and chili

The traditional roll becomes an airy delicacy in three steps. Classically according to the recipe from Naples, the dough is first deep-fried, then cooked in steam and finally baked in the oven. Tastefully topped with seasonal ingredients, a surprising composition.

CAPRINO ARROSTO 22 CON ZUCCHINE ALLA SCAPECE E PEPE ROSA

Goat cheese au gratin on marinated zucchini with red pepper

Zucchini a scapece are one of the tastiest side dishes of traditional Campania cuisine. The name alla scapece probably comes from the time of Spanish rule, more precisely from the term "escabeche", which means to pickle.
