Quotes About Man - By Woman

"I never hated a man enough to give him his diamonds back."
– Zsa Zsa Gabor

"No woman really wants a man to carry her off; she only wants him to
want to do it." – Elizabeth Peters

"Why does a woman work ten years to change a man, then complain
he's not the man she married?" – Barbara Streisand

"You only need one man to love you. But him to love you free like a
wildfire, crazy like the moon, always like tomorrow, sudden like an
inhale and overcoming like the tides.
Only one man and all of this." – C.Joy Bell

"Women fake orgasms and men fake finances." – Suze Orman

When a man of forty falls in love with a girl of twenty, it isn't her youth
he is seeking but his own. ~Lenore Coffee

Quotes About Woman - By Men

"The great question that has never been answered and which I have not yet been able to answer, despite my 30 years of research into the feminine soul, is:
'What does a woman want?'" -Sigmund Freud

"When a man sits with a pretty girl for an hour, it seems like a minute. But let him sit on a hot stove for a minute and it's longer than any hour. That's relativity." -Albert Einstein

"Guys are like dogs. They keep coming back. Ladies are like cats. Yell at a cat one time ... they're gone." -Lenny Bruce

„As usual, there is a great woman behind every idiot.“
-John Lennon

„Women are made to be loved, not understood. “ -Oscar Wilde

Serge Gainsbourg Quotes

Love without philosophizing is like having a quick coffee.

Ugliness is in a way superior to beauty because it lasts.

I know my limits. That's why I'm beyond.

Beauty is the only revenge of women.

Better not to think of anything than not to think at all.

I will compose to decomposition.

If I were God, I might be the only one not to believe in myself.

In a couple, there is always one who suffers and one who pisses off.

Luck is a bird of prey flying blindfolded.

Men make love. Mothers make the miracle.

Physical love is hopeless.

The man created gods. The opposite is yet to be proved.

The mask falls, the man remains, and the hero vanishes.

We take women for what they are not and leave them for what they are.
